

EXPLORE

A WORLD OF HEALING AND HEALTH CARE CAREERS

High School **Exploration** Program

Paid Summer Internships
June–August

Learn about the Scripps “World of Healing” through an eight-week paid internship that can help you prepare for an exciting and rewarding career in health care.

- ▶ Explore health care careers in roles that impact patients, from bedside care to hospital administration.
- ▶ Meet Scripps Health executives and learn about their career paths.
- ▶ Share what you learn through project presentations.
- ▶ Have an opportunity to return next year for an advanced internship and be eligible to receive Scripps scholarship funding for higher education.

Applications are available through your Health Pathway Coordinator.

Application deadline May 1, 2009
